Eggersmann – a 109-year-old, 4th Generation German company, is the oldest family owned kitchen manufacturer in Germany.

Eggersmann has taken modern design to the next level with its UNIQUE collection that features furniture designs using granite, marble, quartz and steel finishes. As an FSC Certified manufacturer, Eggersmann is always considering and improving the carbon footprint and environmental effect on the planet. As an industrial manufacturer Eggersmann carries the largest collection of engineered wood veneers and offering of environmentally friendly lacquered surfaces in high-gloss, textured, and matt with unlimited color combinations! Eggersmann has a brand reputation for the flexibility in custom cabinetry design and sizing along with award winning state-of-the-art components and accessories.

eggersmann

For many years, Eggersmann has been an in-demand and successful partner for the outfitting of projects of all sizes, ranging from a few exclusive villa units to a large-scale development with several hundred kitchens. Cabinetry and Casework from Eggersmann fulfill all the demands made by premium developers with regard to logistics, planning, brand recognition, aesthetics and quality.

The experience in international projects around the globe will bring value to your development. Eggersmann can offer perfect order handling, competent and linguistically talented in-house design and processing team, high-performing and extremely flexible products and a program containing internationally oriented design trends for every market. All of this comes together to create the best team for successful cooperation and exceeding customer's satisfaction around the world.

eggersmann

Eggersmann distribution partners, located in each global market center, are the direct contacts for developers and architects to discuss and design projects of all types and sizes. Together ensure perfect handling along with installation, shipping logistics, site management, and after-sales service and concierge support.
